

## Year 11 Exam Timetable Information:

1. Pre exam sessions before every exam will be for a small focus group. The Head of Department for that subject will let you know if you are included and where you should be - in which room. Pre exam starts at 8.30 in morning for morning exams (unless the teacher can start earlier) and 11.35 for afternoon exams.
2. If you are not in a morning pre exam focus group join us for breakfast in room 21. For afternoon exams students not in focus groups will revise in their normal timetabled lesson so should bring private study and their own revision.
3. If you have an exam at 1pm you will be entitled to go for an early lunch at 12.25. The canteen know how many students to expect.
4. When you have finished your exams in certain subjects you will need to bring your own private revision materials into school for those timetabled lessons.
5. It is important to be aware that up until Monday 10<sup>th</sup> June you must be at every morning registration session and in timetabled lessons unless you are in an exam. From Monday 10<sup>th</sup> June you will be in college for exams only. Registration will take place throughout the exam period. This is a legal requirement for your safeguarding. Please be helpful and ensure you follow the exam timetable to aid us in ensuring our registers are correct. Please check notices in the foyer for information each morning and afternoon.
6. From Monday 10<sup>th</sup> June the canteen will not be providing food at break or lunch for year 11 students unless you have free school meals.
7. After the Maths exam on Tuesday 11th June you will go to your tutor before break. You will be told which room. You will be given your yearbooks and hoodies. At break time you will have the opportunity to sign shirts. You will have a slightly longer break and have pizza in the canteen afterwards while the rest of the school return to lessons. You will then go home at approximately 12.30pm. NCS will be in school giving t-shirts out for those who have signed up and you will be able to ask them any questions about the summer project.
8. Any behavioural issues, noncompliance with these procedures or issues with exam protocol will result in your right to attend the prom being withdrawn.
9. If you think you will be unable to collect your results on results day you have several choices;

- Give formal written permission for another student or adult to collect them and name that person. If someone is collecting results on your behalf, they will be asked for ID (as well as your signed written permission)
- Give our exams officer (Mrs Duell) a stamped self-addressed envelope to allow her to post them to you
- Mrs Duell has a form in her office that you can complete to give us permission to email you the results to your personal email address on results day
