

# **GCSE REVISION TOPICS FOUNDATION TIER**

## **Paper 1**

Naming shapes

HCF/LCM

Co-ordinates and lines

Probability

Percentage

Simplifying in algebra

Factorising

Area of shapes

Using algebra to solve problems

Volume and surface area

Trigonometry

Speed

Standard form

Scattergraphs

Rounding

Congruency

Ratio

## **Paper 2**

Negative numbers

Fractions

Fractions, decimals and percentage conversions

Averages and range

Bearings

Speed

Percentage profit and loss

Linear graphs

Quadratic Graphs

Ratio

Indices

Loci

Factorising quadratics

Angles in polygons

Venn diagrams
