On the 16th November Mrs Parker and the MFL department at Blessed Edward Oldcorne Catholic College hosted a Languages Event. Post 16 providers along with our Alumni came and worked with our year 9 and 10 students. Our students got to listen to talks and take part in A Level workshops throughout the day.

Our students really enjoyed the day and felt it gave them a lot of insight into MFL at post 16. Being able to speak to providers and Alumni to ask plenty of questions was very helpful.

A fantastic success.
