

Blessed Edward Oldcorne Catholic College

Year 9 Revision Information Mathematics – Assessment 1

The assessment will include questions with a range of different marks, testing using and applying standard techniques (AO1), reasoning, interpretation and mathematical communication (AO2) and solving problems (AO3). The questions will use GCSE command words.
Students will either sit a support, core or extension paper.

Please contact the Head of Department for further information.
(contact details can be found on our app)

Support	Core	Extension
4 operations	4 operations	Graphs ($y=mx+c$)
Rounding	Fractions	Brackets (including double)
Fractions	Statistical diagrams	Factorisation
Statistical diagrams	Venn diagrams	Forming Equations
Probability	Probability	Fractions
Averages	Expansion of brackets	Pythagoras
Sequences	Inequalities	Sequences
Co-ordinates	Sequences	Circles (including arcs and sectors)
Area	Volume	Averages (grouped data)
Perimeter	Area and circumference of a circle	
	Averages (grouped data)
