

PERFORMING ARTS TECHNICAL AWARD

Year 10 REVISION

There will be a mixture of short response questions and longer response questions. It will be a 40 minute test.

1. You need to be prepared to reflect on a performance you have seen or been involved in and comment/answer specific questions.
2. You have been asked to support a proposal for a new Performing Arts Centre to be built in your local area. You need to be able to write a pitch to convince people that it would be a successful venture and who would benefit from it.

Do some research over the Christmas holiday into the Performing Arts industry and what the advantages/benefits are for individual people and communities. GOOD LUCK!!
