

# Year 10 Revision Information Fine Art

GCSE Art & Design – Fine Art  
Examination board OCR

Length of portfolio 20 weeks

There are no written examinations in Art & Design – Starting in May students begin a portfolio based on a school set theme. The themes set are very broad and offer students a number of different starting contexts around which they investigate the work of existing artists and then create their own artwork influenced by the chosen artists style.

This Portfolio finishes in December of Yr11 with a 10hr Exam over 2 days.

This Portfolio is worth 60% of their GCSE
