

PIXL TRANSITION PROJECT

As part of our KS2/KS3 Transition programme we have a new project for you all to complete with your Year 6 teachers in school.

It has been specifically created by an organization that our school subscribes to
- PIXL (Partners in excellence)

It is called

‘Be Awesome, Go Big’

and is designed to help you to get ready for the step up into high school.

The project contains 9 interactive sessions with a workbook to complete.

These sessions focus on things such as:

Being Awesome

Unlocking Your Mind

Dare to Take Risks

Making The Change

Lost but Not Lost

'Bouncebackability'

What is Normal Anyway

Friendships and Fallouts

Living Well

The project booklet is attached so you can look at the content and pick out any of the activities that may interest you.

Please note that this work is not compulsory and is designed just for you to dip into and help you to prepare for the move to high school.
