

Paper 1 Topics Non Calculator Foundation Tier

- Negative numbers
- Conversion of units
- Fractions
- Decimals
- Naming triangles and quadrilaterals
- Symmetry
- Speed
- Indices
- Ratio
- Percentage involving simple interest
- Probability adding to 1
- Recognising graph shapes
- Expanding 1 and 2 brackets
- Setting up an equation in algebra and solving it
- Listing outcomes and using them in probability
- LCM/HCF
- Simultaneous equations
- Tree diagrams
- Area and arc length of sector

Paper 2 Topics Calculator Paper Foundation Tier.

- Factors and multiples
- Sequences
- BIDMAS
- Averages and range
- Non- calculator %
- Comparing 2 fractions
- Co-ordinates
- Fraction of an amount
- Expanding brackets
- Indices
- Scattergraph
- Area of 2d shapes
- Trigonometry
- Exterior and interior angles
- Column vectors
- Drawing quadratic graphs
- Density
- Tree diagrams
