

Maths REVISION FOUNDATION TIER

- Simplifying
- Equations
- Rounding to the nearest 10 and 100
- Product of prime factors
- Square roots and cube roots
- Rounding to decimal places and significant figures
- Multiples, Primes and Factors
- Drawing a pie chart
- Calculating the mean from a table
- Expanding brackets
- Factorising
- Rules of Indices
- Working with decimals
- Bar charts
- Co-ordinates

REVISION INTERMEDIATE TIER

- Standard Form
- Area and circumference of a circle
- Rounding to decimal places and Significant figures
- Expanding single and double brackets
- Trigonometry
- Pythagoras
- Cumulative Frequency
- Rules of Indices
- Writing expressions
- Estimation of the mean
- Drawing a pie chart
- Prime factors. HCF/LCM
- Solving equations

REVISION HIGHER TIER

- Standard Form
- Arcs and Sectors
- Lower and Upper Bounds/ Interval errors
- Expanding single and double brackets
- Trigonometry
- Pythagoras
- Factorising quadratics
- Cumulative Frequency
- Rules of Indices
- Writing expressions
- Rearranging formula
- Histograms
- Prime factors. HCF/LCM
