

Summer Bridging Work

Subject: Geography

Year: 9 into 10

Topic/Title of what the students will be studying in September for the first half term: **Urban issues and challenges**

Suggested background reading that will help them to understand the context of the topic to be studied:

- Websites to look at/webpage information to read:

<https://www.nationalgeographic.co.uk/cities-of-the-future>

<https://www.theguardian.com/cities>

<https://www.bbc.com/future/article/20130516-how-city-life-is-changing-us>

Relevant films/videos to watch:

[Megacities: The Challenges of Modern Urbanization | Forward Thinking | ENDEVR Documentary - YouTube](#)

Activity to undertake:

1. Create Cornell Notes based on the main information from the video link. (Template available on your google classrooms)
2. Give 5 facts that interested you from any of the articles you read
3. Explain why sustainable cities are so important for the future.

Please hand in work via Google Classroom by August 31st
