

**Revision topics:**

You are doing a foundation-style writing paper, which will consist of:

- 1) 6 sentences each based on a prompt word or phrase - topic describing yourself and what you like doing.
- 2) A 60 word essay on technology.
- 3) A 90-120 word essay on healthy living
- 4) 5 translation sentences (English into German) on the topic of family and daily routine.

If you want to have a look at what kind of questions they ask, see our MFL website (search for mfl@beocc) to see the Eduqas board writing papers.

To revise, make lists of the vocab and phrases you know on the above topics, think how you can write about things using past, present and future verb forms.
