

Art, Design and Technology Technician

required to start in September 2024

Blessed Edward Oldcorne Catholic College is an outstanding Catholic school committed to ensuring all of our students excel spiritually and academically. At Blessed Edward Oldcorne Catholic College everything we do is "For the Greater Glory of God". Our vision is that all members of our community play their part in making the world a better place. In order for society to flourish we must be people of good character as described by our college virtues.

Blessed Edward Oldcorne Catholic College is a popular and well respected school which is always oversubscribed. Parents recognise that we are an inclusive community where staff and students aim to live their lives in the image of Christ as far more than merely words on a page.

We are seeking to appoint an Art, Design and Technology Technician to join our Art, Design and Technology Department and become an integral part of an experienced and highly effective group of specialist practitioners. Whilst not essential, if you have QTS and are interested in teaching Art, Design and Technology for up to five hours a week, this can be combined with the Technician role. The department is one of the most successful in the college with consistently outstanding GCSE outcomes. Students from Years 7 to 11 experience a well thought out and inspiring curriculum and the college is unique in offering four GCSE endorsements, namely Fine Art, Graphics, Photography and Textiles. The study of Art, Design and Technology in the college provides students with multiple opportunities to develop self-expression, resilience and mindfulness. They learn to combine their imagination with new ideas and knowledge, leading to high levels of success, confidence and enjoyment. You can find out more about the Art, Design and Technology department here <https://www.blessededward.co.uk/home/college-life/curriculum/art-and-design/>.

In return, our college can offer you a welcoming and inclusive environment with a culture of openness and transparency. We place great emphasis on the wellbeing of our staff and offer a number of benefits to support this. You will also benefit from support, mentoring and development tailored to you.

Blessed Edward Oldcorne Catholic College is a very special place. Our students are friendly, enthusiastic, and eager to learn. Staff are caring, supportive and dedicated to finding the true potential in each and every one of our students. If you have a passion for Art, Design and Technology and share our commitment to ensuring every student achieves their best, please get in touch.
