THE WORD

MIRACLE

An extraordinary and welcome event that is not explicable by natural or scientific laws and is therefore attributed to a divine agency.

Jesus performed many miracles.

For example:

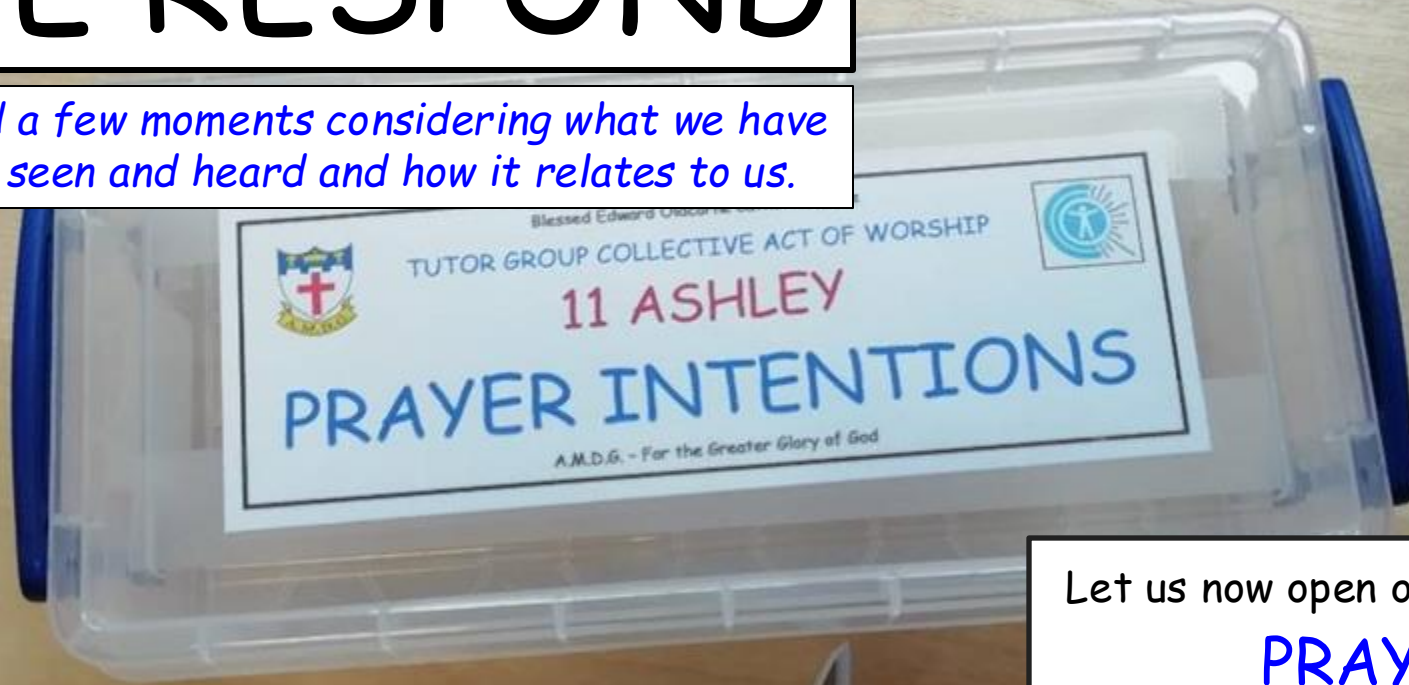

- The raising of the widow's son
- The feeding of the 5,000
- The healing of a paralysed man
- The stilling of the storm
- The resurrection

The miracles not only directly helped the people Jesus was with, but they also proved that Jesus was not just fully human...

He was also fully God!

'Jesus asked his disciples,
"Who do people say I am?"

They replied, "Some say John the Baptist,
others say Elijah,
and others Jeremiah
or one of the prophets."

He said to them, "But who do you say I am?"

Simon replied, "You are the Christ,
Son of the living God."

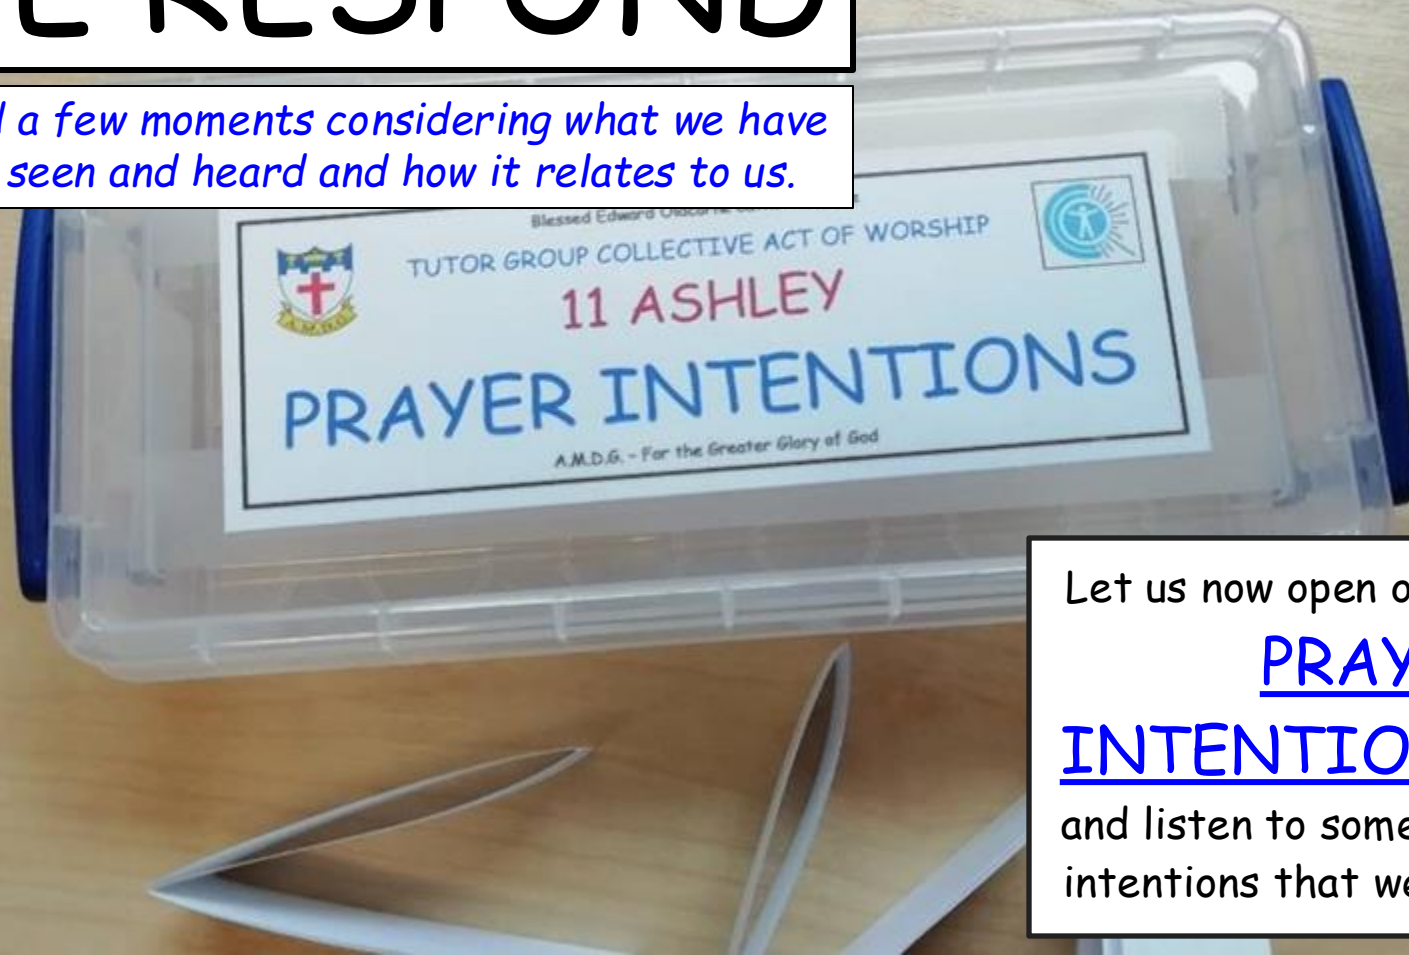

Jesus answered him,
"Blessed are you, Simon! (Peter)
For no person has revealed this to you,
but my Father who is in heaven.
And I tell you that you are Peter,
and on this rock,
I will build my church,
and the power of death
shall not triumph over it."

Examen Closing Prayer (1)

O God, I find myself at the beginning of another day.
I do not know what it will bring.

Please help me to be ready for whatever it may be.

If I am to stand up, help me to stand bravely.

If I am to sit still, help me to sit quietly.

If I am to lie low, help me to do it patiently.

If I am to do nothing, let me do it gallantly.

I pray just for today, for these twenty-four hours, for the ability to cooperate with others according to the way Jesus taught us to live.

"Your kingdom come, your will be done on earth as it is in heaven."

Examen Closing Prayer (2)

May these words that he taught us become more than words.

Please free my thinking and feelings and the thinking and feelings of others, from all forms of self-will, self-centeredness, dishonesty, and deception.

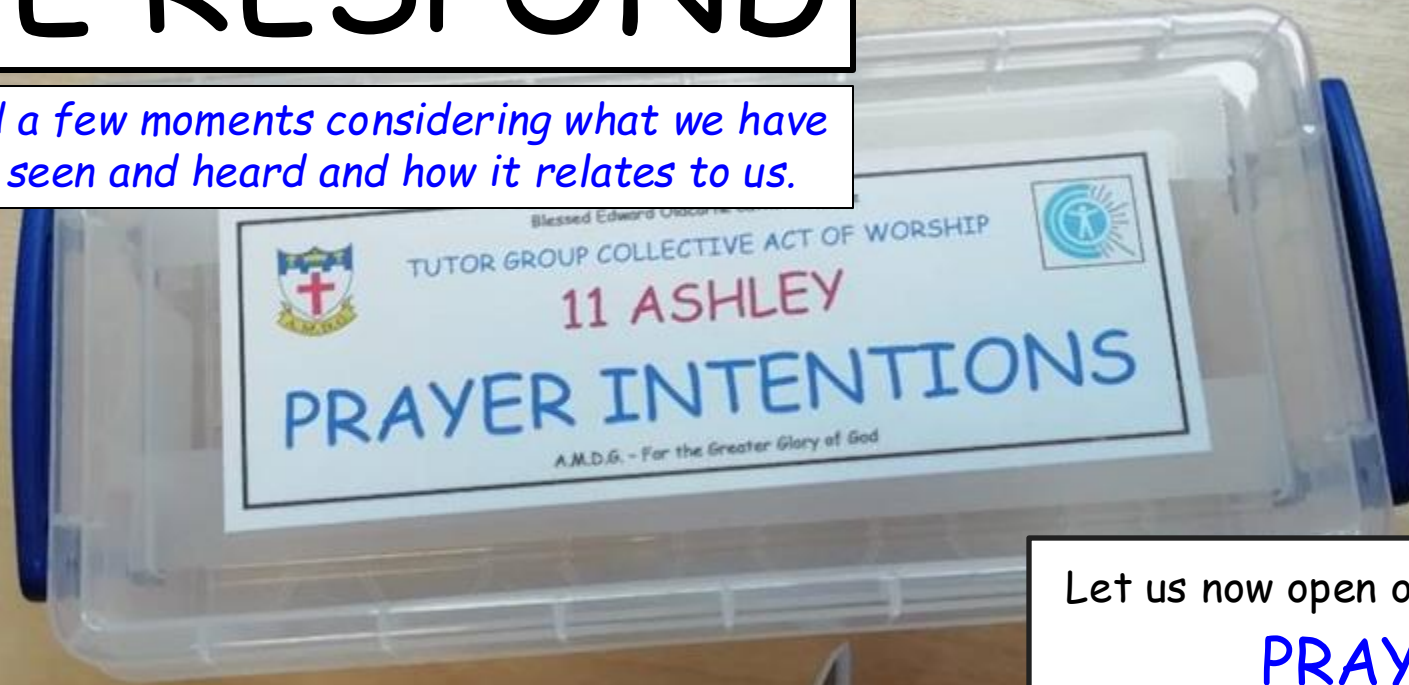

Along with my brothers and sisters, I need this freedom to make my choices today according to your desires.

Send your Spirit to inspire me in time of doubt and indecision so that together, we can walk along your path.

Amen.
